WRITING

I was planning to give my friend a surprise.

Nicky was 16. We met at a youth camp last summer. She was very kind, positive and open-minded and soon we became best friends.

I planned to make Nicky's 17th birthday special. I couldn't leave her without a surprise that day. ^{I was worried thinking how everything would be} and asked Jane to help me with preparations. Soon ^{it} was Sunday and Nicky's birthday. I called her and asked for help. Unfortunately, Nicky said that she was seriously ill ^{and was lying} at hospital. We immediately called all the other friends, took everything prepared and rushed to the hospital. We all were worried ^{about} Nicky.

Everything ended well. Nicky was touched and thanked us. I learned ^{that day that} something went wrong, you shouldn't give up, but think how to improve the situation. I was proud of myself, because I supported my friend ^{hard} time.
